

**Introduction to Communicable Disease
Surveillance and Investigation in North Carolina**

**Unit Instructions
Healthcare-Associated Infections (HAI)**

Activity 1: Prior to viewing this lecture

Please read:

- HAI Information located @ www.cdc.gov/hai

Activity 2: View the DVD Lecture HAI

Activity 3: After viewing the DVD,

1. Please read the following in the NC Communicable Disease Manual
 - Influenza, MRSA and Norovirus information under Other Diseases of Public Health Significance
 - Outbreak Steps and Outbreak Summary Report under Outbreak Investigation
2. Locate the following references:
 - www.cdc.gov/nhsn/about.html - information concerning the National Healthcare Safety Network (NHSN) being used as the platform for HAI reporting.
 - North Carolina HAI State Plan @ <http://www.cdc.gov/hai/HAIstatePlan.html>
 - North Carolina Administrative Code section 10A NCAC 41A .0206 under North Carolina Laws and Rules in the NC Communicable Disease Manual

Activity 4: After completing the above activities, go to <http://www.surveymonkey.com/> and complete the quiz:

“Healthcare-Associated Infections (HAI): Test Your Knowledge”

<http://www.surveymonkey.com/s/HAIQuizSummer2012>

If you have questions about healthcare associated infections, please contact the staff in that program:

Dr. Zack Moore: Zack.moore@dhhs.nc.gov or 919-715-4698

Jennifer MacFarquhar: Jennifer.macfarquhar@dhhs.nc.gov or 919-715-4821

Constance Jones: Constance.d.jones@dhhs.nc.gov or 919-733-9560

Thank you.
